Cyclop's Shades (Cartoon Version)

#WhatWillYouCreate?™

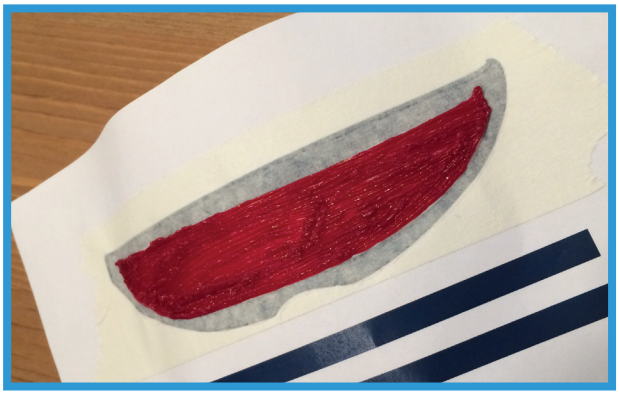
Step 1:

Print out the stencils cover them with clear or masking tape.

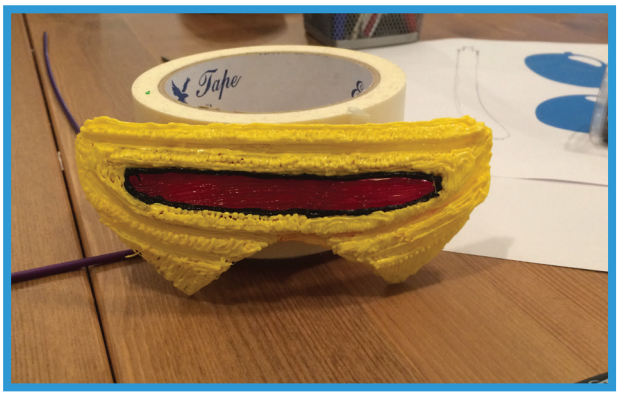


Step 2:

Doodle the lens of the shade with Martian Red.

Step 3:

Then doodle the rim of the shade with Rubber Ducky Yellow.

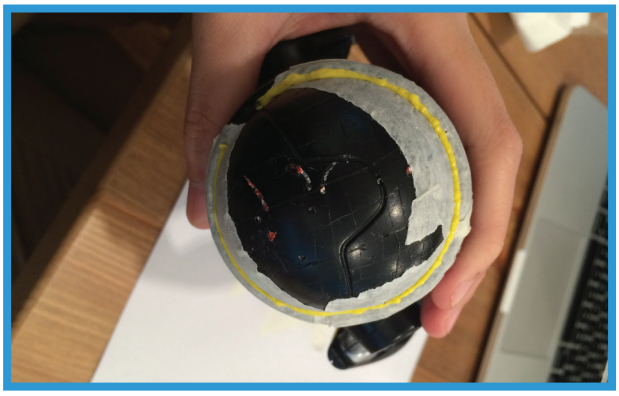


Step 4:

Doodle some of the details with Rubber Ducky Yellow.

Step 5:

Use Tuxedo Black to add the other details.



Step 6:

Find something that is shaped as a hemisphere and cover it up with masking tape.

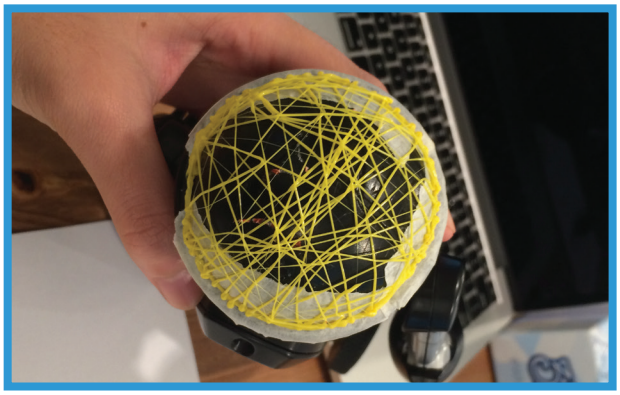
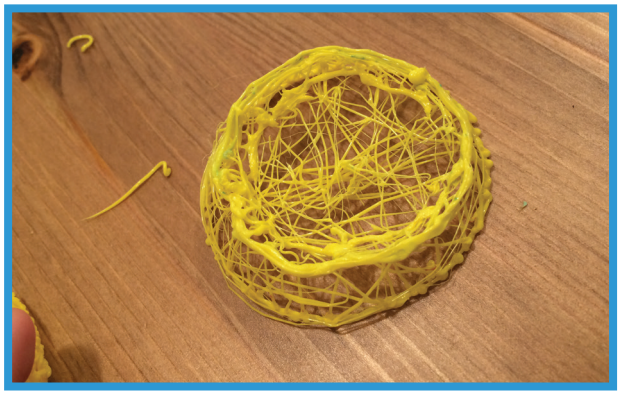
Cyclop's Shades (Cartoon Version)



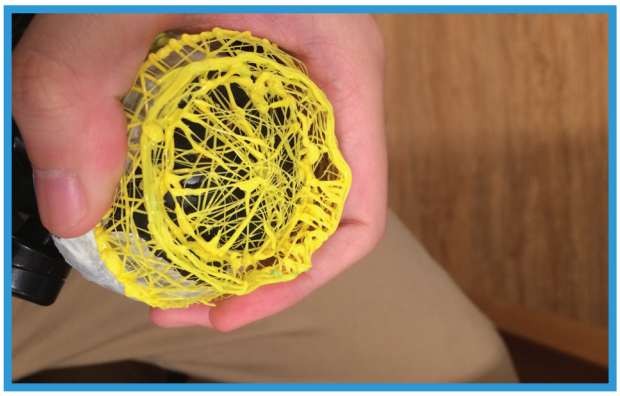
Step 7:

Cover it up as follow.



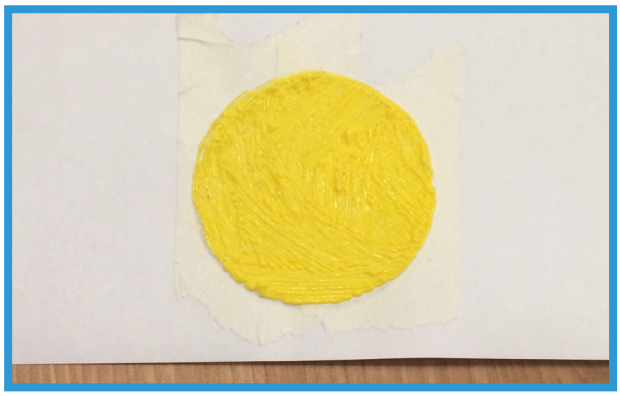
Step 8:

Doodle a smaller circle on top of the hemisphere and carefully bend them inside while it is hot.



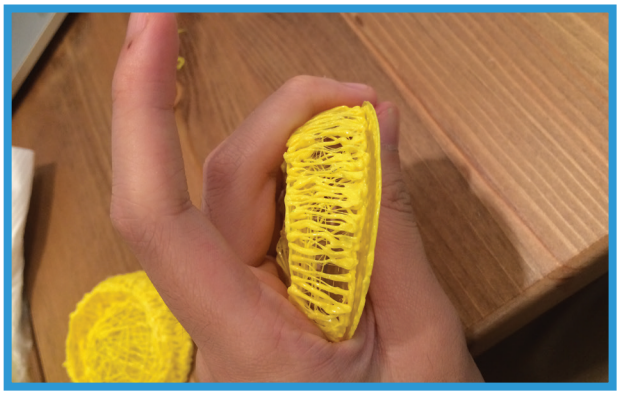
Step 9:

Doodle the side of the inner circle as follow



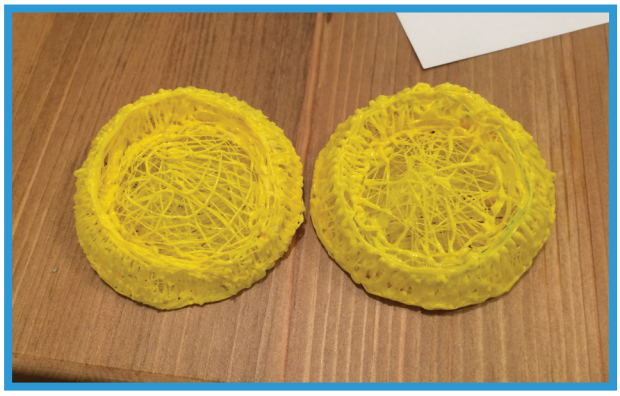
Step 10:

Color in stencil 2



Step 11:

Stick both parts together.



Step 12:

Now repeat Step 6-11. You should have two of these. Then place them on the side of the shades.

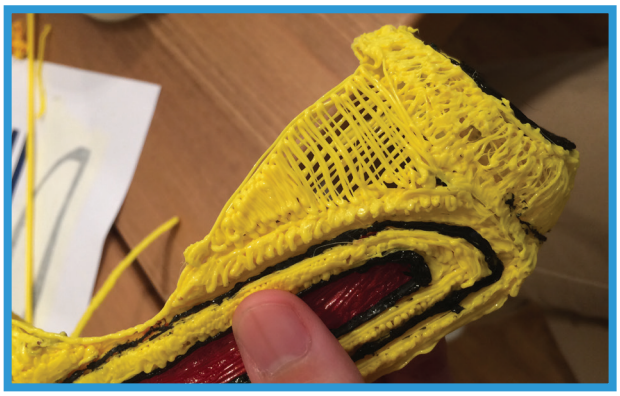
#WhatWillYouCreate?™

Step 13:

Doodle Stencil 2 to make the temple of the shades.

Step 14:

Stick it as follow.



Step 15:

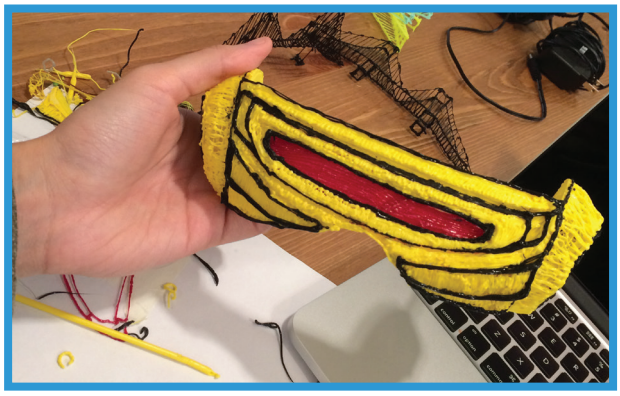
Extend the rim of the glasses with the circles on the side. (Doodle them vertically and horzintally for a strong rim)

Step 16:

Use a piece of strand to make the same length on the other side.

Step 17:

Add details on the end piece.



Step 18:

Add more details or make some adjustments as well.
