

### Stencil

(Depending the size of the snow globe.)

Step 1:

Resize the stencil according to the size of the snow globe.

Step 2:

Trace out the stencil and doodle the skin of the figure skater with Café Au Lait (PLA)

Step 3:

Doodle the dress of the ice skater with Totally Teal (ABS)

Step 4:

Create the arms

Step 5:

Doodle over it to make the arm thicker then cut the remaining strand between the arms

Step 6:

Doodle over the the legs to make a thicker and 3D effect

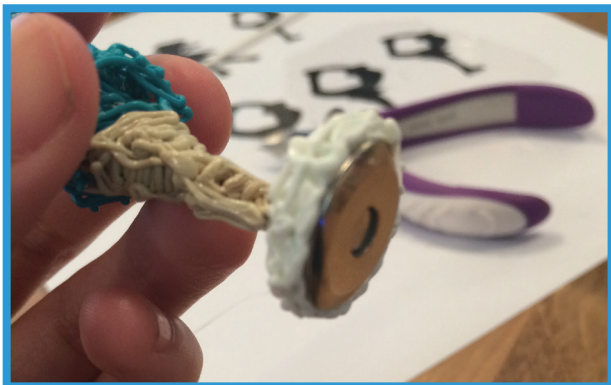

Step 7:

Doodle the head of the figure skater

Step 8:

To make the base of your figure, use a connectable magnet.

Step 9:

Doodle over one side of the magnet as a stand.

Step 10:

Fill in the snow globe with baby oil, not water.

Step 11:

Next, sprinkle some glitter on.
