

Letter Magnet

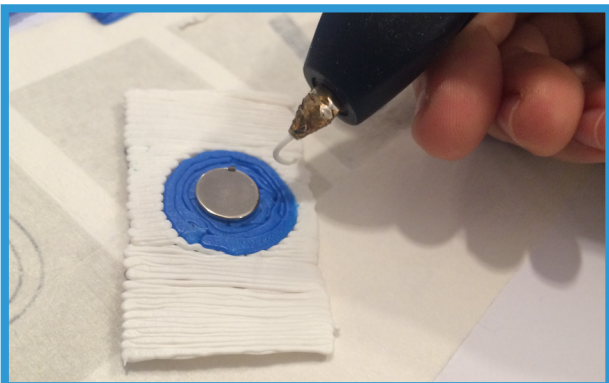

Step 1:

Start by doodling all the letters.

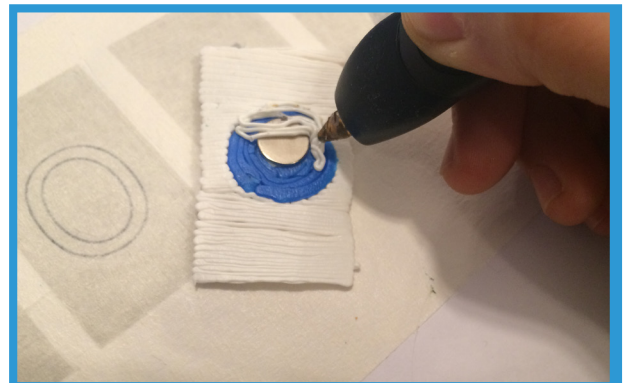

Step 2:

Fill in the letters and the background with a similar color.

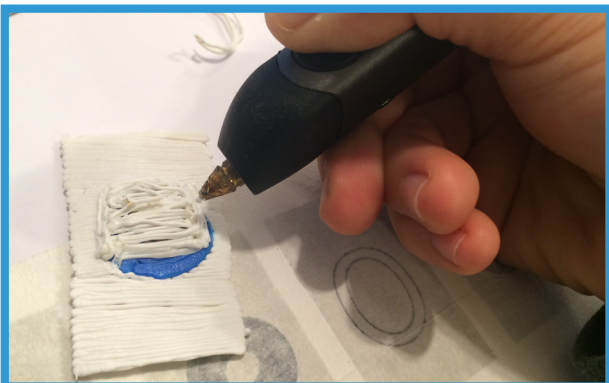

Step 3:

Make sure the magnet is on the right side before placing onto the letter.

Step 4:

Doodle onto the magnet, making sure the magnet stays in its position.

Step 5:

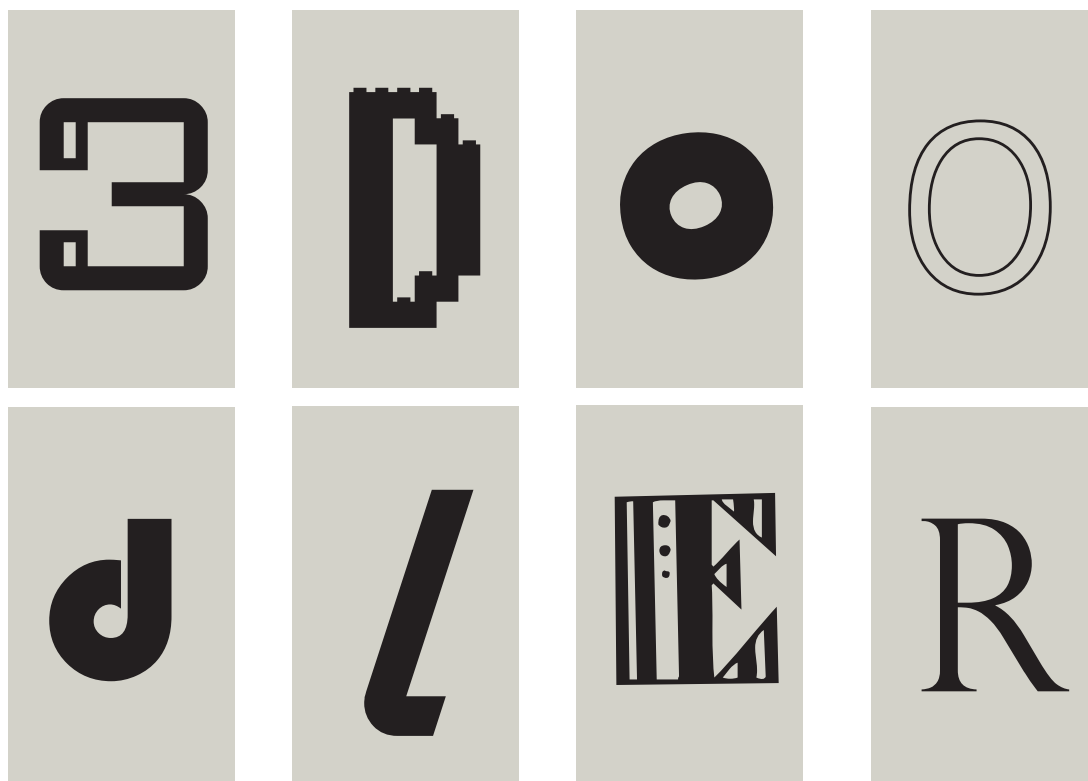

Doodle all around the magnet, but make sure not to make the layer too thick or the magnet will be too heavy.

#WhatWillYouCreate?™

Letter Magnet

Stencil

Final:

Have fun by creating your own words by doodling different letters and mixing different colors!
