

Hanging Planter

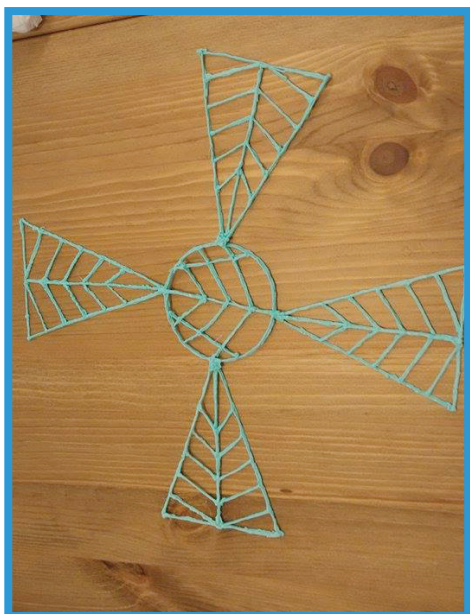

Step 1:

Print the stencils and cover it up with clear or masking tape before you are going to doodle on it.

Step 2:

Doodle the base of the hanging planter after measuring the width of the glass bowl.

Step 3:

Stick 4 pieces of the step 1 around the base of the hanging planter.

Step 4:

Stick all pieces together by surrounding the edge of the glass bowl.

Hanging Planter

Step 5:

Prepare for your own plant for putting into the glass bowl inside.

Step 6:

Done!

Step 7:

Stick two more pieces of step 1 on top of the edge of the glass ball.

Step 8:

Stick a little handle on the top of the whole hanging planter.
