

Step 1:

Doodle the main piece of the pouch.

Step 2:

Doodle in the teeth of the pouch.

Step 3:

Bring the two ends together and seal the sides.

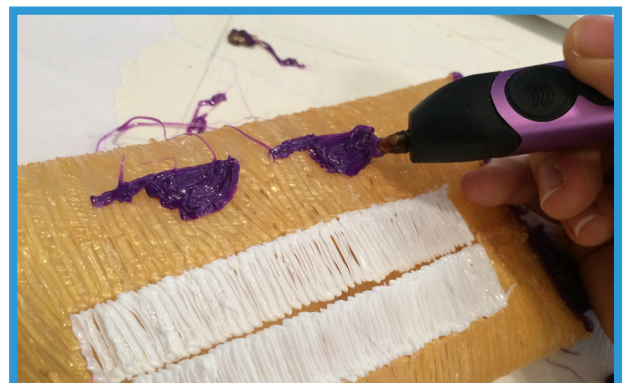

Step 4:

Make sure to doodle the gold parts of the face as well to reduce the size of the opening.

Step 5:

Decorate the pouch accordingly.

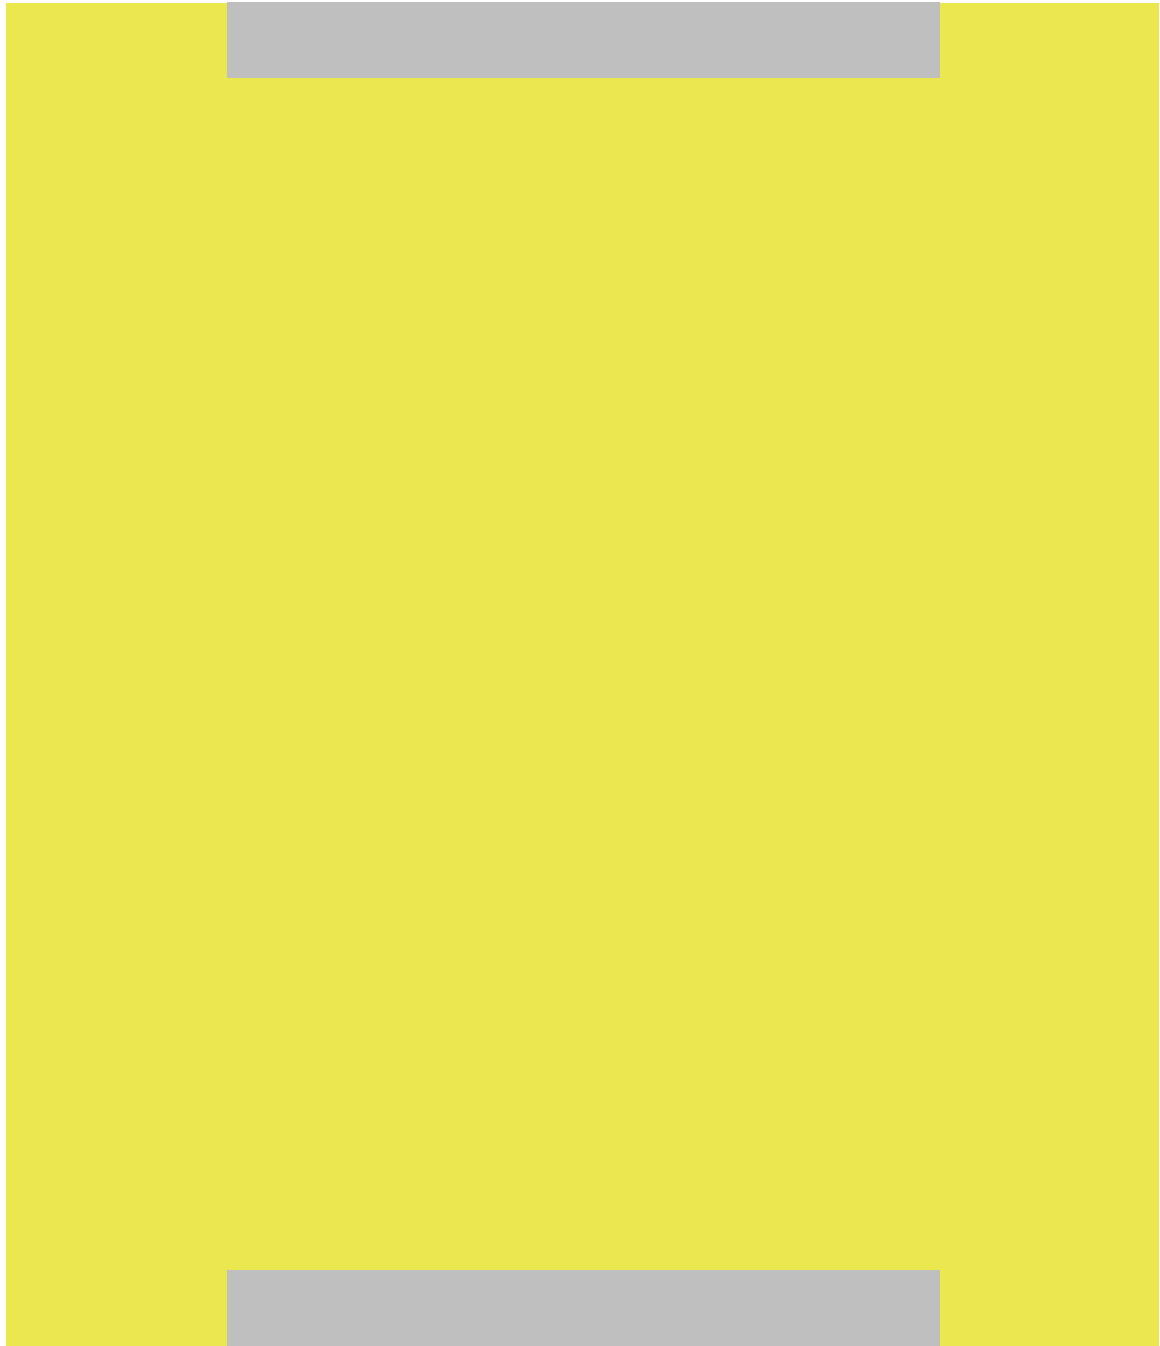

Step 6:

Add in the eyes to give the character life.

#WhatWillYouCreate?TM

Tissue Pouch

Final:

Customize your tissue pouch by doodling different expressions and color combinations.
