Folding Wine Holder

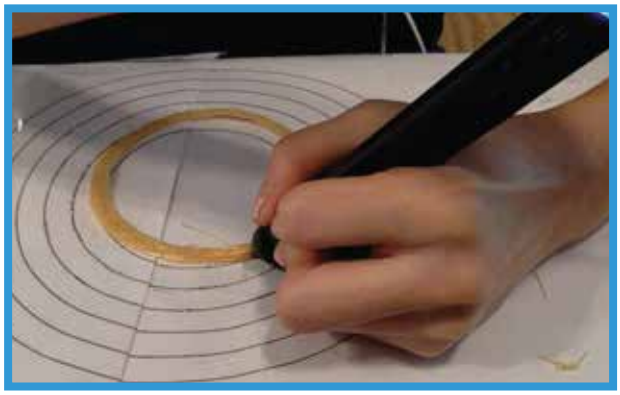
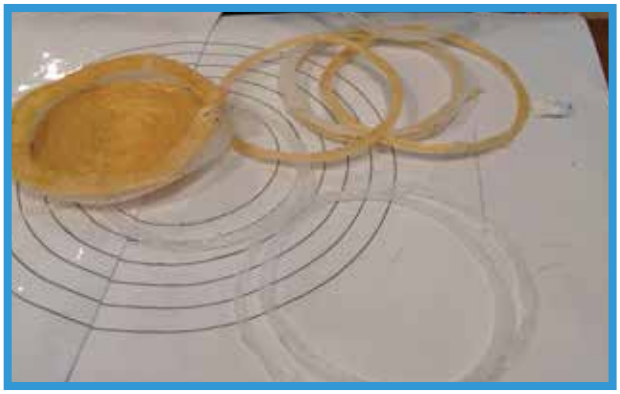
Step 1:

Measure your wine bottle and see which circle from the stencil fits. Then start doodling the middle circle and fillthe whole thing in.



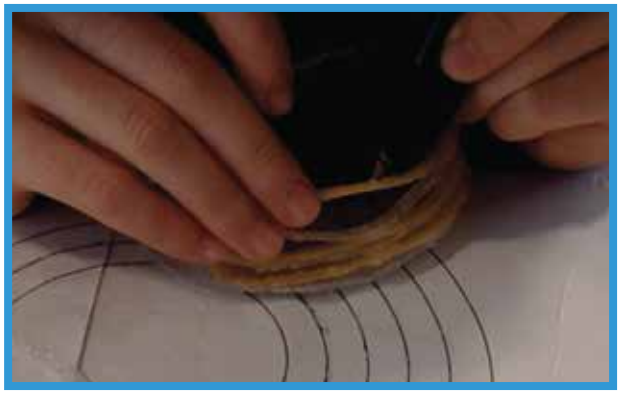
Step 2:

Doodle little rings.



Step 3:

Doodle a lot of them.



Step 4:

Now it's time to Doodle the rings together. Use the 3Doodler to mend them together.

Step 5:

Your wine holder should look like this when stretched.

Step 6:

Now Doodle the handles in place and now you have a Wine Holder!
